

ELEGANCE LODGE

Luxury ski chalet for 12 - hot tub, fireplace, sunny terrace

With three terraces and an outdoor hot tub, there's always somewhere to sit and enjoy the views

About Elegance Lodge ...

This unique split-level chalet in the fabulous Les Confins area is just 2km from the bars, shops and restaurants of La Clusaz, at the heart of the Lake Annecy ski resorts.

But despite being so close to this year-round resort, the lodge's elevated position means you can enjoy privacy as well as uninterrupted views over the Aravis mountains, and the superb pistes of La Balme.

Built in 2004, the lodge's unusual design makes the most of its sloping plot, combining high vaulted ceilings with intimate spaces where a large group of family or friends can enjoy each other's company.

Three south-facing terraces mean you can always find your own place in the sun, or catch up on the day over a glass of wine in the hot tub.

When you stay at Elegance Lodge you've got the best of the mountains right on your doorstep, what ever the time of year.
